

What Counselors Can Do to Prepare For Camp

(Every item not applicable to every camp situation)

- 1. Pray for your campers and yourself**
- 2. Get in good physical condition.**
- 3. Learn to build the proper kind of outdoor fire under adverse conditions, such as wind, rain, wet wood.**
- 4. Learn how to extinguish a fire properly and safely.**
- 5. Learn camp songs and be able to teach them to campers.**
- 6. Acquire a good selection of camp skits, dramas, and songs.**
- 7. Prepare at least one good Bible lesson/devos for your cabin.**
- 8. Have several good rainy day activities planned.**
- 9. Be prepared to teach campers several sports and be able to referee and umpire for them.**
- 10. Learn as much as you can about the trees, plants, flowers, rocks, and minerals of the area.**
- 11. Knowing some things about some handicraft will be an advantage.**
- 12. Know about the history of the camp so you can share with campers.**
